

Hello Pastors,

My name is Travis Muse, and I will be working with you as we get ready Youth Camp 2024. Summer will be here before you know it. I am excited to tell you that we have something special planned for you. This summer July 8<sup>th</sup> -12<sup>th</sup> at Camp Touchet we will have Youth Camp. We have some fun things planned as well as a great opportunity to get to know students in our area. We have lots of things lined up but to keep this thing going we need your help. Here are a few ways you can help us out.

First thing is prayer, I know you guys are prayer warriors and we are praying for God to work, and we keep praying for God to work in and through our students. Please pray for the Camp and all of the adults that will be working with the students. Pray for Jon Harper who will be our camp pastor. Pray for Stomp Town Revival who will be leading us in worship. We also ask for you to pray about how else you can help with camp this year.

Secondly is come be a part of the planning as we put together a great camp. We will have several meetings where we can come together and plan some of the things like our small group classes, games, and activities.

Thirdly is helping us connect with your students and any other leaders you may know. I believe you guys know your church and who you think would be a great help for the week of camp. I am also willing to come talk to you as well as any other staff you would like for me to talk to. After we connect if you would like I can be available to come share some things we have going on at camp this year with your students.

So, with all the things that are going on we are here to help you. We want to come along side you and help how we can. Camp is meant to be a great time for students coming from many churches who can grow together in their walk with God. The best way for us to have a great camp is to have great communication. We are asking for your help as well as partnering with you to help your students connect with one another. Let's plan for a great year. Attached is a flyer with information. Please feel free to reach out to Tina Hammack or myself if you have any questions.

Thank You,  
Travis Muse  
Youth Camp Director
